Our Katrina experience was:

Devastating, to come home and find there is no home to come to. We loss everything but thank God he let us survive. We been in Shelter here and there, From Texas West point Gulfport, Bax St. Louis and now we are back in our home town, but we are living with my mom in her fema trailer cause we haven't gotten our yet its hard trying to cope with life now.

Write something special that you would like Santa to bring you or your family:

If we could get a car please doesn't have to be a new one just something nice to get us from point A to point B so we don't have to keep asking somebody for a ride cause now it's hard to get a ride and half the time me or my kids miss their appointment

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
